

EMTA Grant Process

Grant Fund:

\$1500 is available to EMTA members for the 2026 – 2027 year. The limit per request is \$500, and only 1 request per member can be approved per year. Grant requests will be submitted through a JotForm that will be made available to EMTA members from 9/1/26 – 10/31/26. A second submission opportunity *may* be made available to members from 1/1/27 – 2/28/27, depending on available funds; as determined by the grant committee.

The grant committee shall be comprised of 3 EMTA members, at least one of whom is a Board Member. For the 2026 – 2027 year, Board Member Jessica Martin has agreed to chair the committee. To be eligible for approval, grant requests must:

- 1) Fit into funding parameters, and
- 2) Be intended to directly support teachers' growth through education, access to cultural events, and expansion of studio supports such as equipment and software.

The committee will meet within 14 days after the submission deadline to review submissions and will announce approvals and release funds within 30 days after the submission deadline.
